I think we should ask him/call him and ask about the transmission. Since we're taking it out would it make sense to rebuild it now? How much would it cost? Etc. I'd be happy to come by tomorrow and call him together.

Gregory/Rene,

Our board has approved the repair of trolley 42. Please make arrangements for the trolley to be towed to EDRS.

Rene, once the trolley is received and re-inspected, please provide me with any other repairs that we need to consider while the trolley is there.

Please keep me informed of the timeline since we have another trolley that we have rented while trolley 42 is being repaired and we need to estimate how long we will need the rented vehicle and make timely arrangements for its return.

I look forward to hearing from you.

Best regards,
